2026 MADMR Speaker: Timothy Tran

I'm Reverend Timothy "TimFire" Tran of Messiah Deaf Church in Madera and Modesto, CA. I have a beautiful wife for 27 years and five beautiful children. For 8 years, I have served as these churches' pastor and am now His servant. Give all glory to God for sending His beloved Son, Jesus Christ, to the earth that day; I'll never forget when I fell in love with Jesus Christ as my personal savior on March 3rd, 1994. It has been my 31st year of ups and downs, as He has been working on my life for 22 years as a Worship Leader. I have been a servant, for the Lord will be unstoppable. I thank God for sending me as His Ambassador to reach out to many diverse places and fill His earth with His glorious message to be heard by Him.
